

# LAND ROVER EXPERIENCE

## MOBILE EVENTS

ABOVE AND BEYOND

With over 100 years of industry experience, the Land Rover Experience Mobile Events team deliver unique and unforgettable events. The team is made up of Event Managers, Event Leaders and expert Instructors all of whom have a wealth of knowledge in planning and delivering events around the globe.

From vehicle launches in Morocco, snow and ice driving in Finland to customer incentive events in the UK, the team are able to provide a fully managed, multi-venue, bespoke service that is tailored to customer requirements.

A Land Rover event can be held in a number of locations, with either existing off-road tracks or in a completely new setting using the Land Rover Dynamic Display Equipment.

This highly flexible equipment can be set up in the middle of a city, fields or car parks and has been specially designed to deliver inspiring customer experiences. Events can be held for up to 200 delegates.

Alternatively, for an immersive day of off-road driving, a team building event can be set up in one of our 42 Experience centres around the world. Wherever the location, delegates are guaranteed to experience a highly memorable event.
