WHAT IS...

CAR FINANCE?

Car finance helps to spread the cost of a new or used Land Rover. Land Rover Retailers offer a range of finance products to suit individual preferences and circumstances, such as Hire Purchase, Land Rover Freedom (PCP), Advance Payment Plan (APP), Balloon Hire Purchase and Contract Hire.

Finance is subject to status and is only available to UK residents aged 18 and over. Credit products are provided by Black Horse Limited trading as Land Rover Financial Services, St William House, Tresillian Terrace, Cardiff CF10 5BH. Contract Hire products are provided by Lex Autolease Limited trading as Land Rover Contract Hire, Heathside Park, Heathside Park Road, Stockport SK3 0RB.

HOW DOES IT WORK?

THE PRODUCTS

Each of these products works a little differently, but in general terms Land Rover Financial Services will buy the vehicle on your behalf and then you will repay the amount borrowed with interest (where applicable).

YOUR OPTIONS

The choice is yours:

- own the vehicle at the end of the agreement (except Contract Hire)
- drive a new model for a set term and hand it back at the end.* This is an option under Land Rover Freedom (PCP) and Advance Payment Plan (APP) and is the only option available under Contract Hire.

PAYMENT DURATION

You would typically pay a deposit, and make monthly payments from 1-5 years to tailor the finance to meet your budget. The finance agreement is secured against the vehicle for the duration of the agreement which means it will be owned by Land Rover Financial Services until the final payment has been made, except in the case of Contract Hire products where there is no option to own the vehicle.

* Under our PCP and APP products, you have the option at the end of the agreement to return the vehicle and not pay the deferred Final Payment. If the vehicle is in good condition and has not exceeded the allowed mileage you will have nothing further to pay. If the vehicle has exceeded the allowed mileage a charge for excess mileage will apply.

LAND ROVER FREEDOM (PCP)

With Land Rover Freedom Personal Contract Purchase (PCP) you can keep your monthly payments lower by deferring a proportion of the amount of credit to the final payment at the end of the agreement. Agree an initial deposit, how many miles you are likely to travel each year and how long you want the agreement to run for and the Retailer will then calculate the Guaranteed Minimum Future Value (GMFV) of your Land Rover and confirm your monthly payment. The Retailer will submit the finance application to us and subject to your application being approved, you can drive away in your Land Rover.

The options at the end of the agreement are:

- (1) part exchange the vehicle subject to settlement of your existing finance agreement; new finance agreements are subject to status
- (2) return the vehicle and not pay the Guaranteed Minimum Future Value as your Final Payment. Providing the vehicle is in good condition and has not exceeded the allowed mileage you will have nothing further to pay. If the vehicle has exceeded the allowed mileage a charge for excess mileage will apply
- (3) pay the Guaranteed Minimum Future Value as your deferred Final Payment for title of the vehicle to be transferred into your name.

ADVANCE PAYMENT PLAN (APP)

The Land Rover Advance Payment Plan (APP) is available for new vehicles only and ideal if you are planning to pay for your Land Rover outright, but would prefer to defer some of the initial outlay until the end of the agreement. It gives you more spending power, so you can consider higher specification vehicles, or go for a new rather than a used Land Rover. With this option, there are no monthly payments, and the Guaranteed Minimum Future Value (GMFV) feature, if you exercise the Goods Return Option, means you needn't worry about a fall in used car values.

The options at the end of the agreement are:

- (1) Renew – choose a new Land Rover from your Retailer and use any excess value over the Final Payment amount towards your deposit. With this option, you can either trade in your Land Rover or sell it privately. Subject to settling of your existing finance agreement, any new finance is subject to status
- (2) Return – hand back your vehicle to Land Rover Financial Services under the Goods Return Option. If the vehicle is in good condition and has not exceeded the allowed mileage you will have nothing further to pay. If the vehicle has exceeded the allowed mileage a charge for excess mileage will apply
- (3) Retain – pay the deferred Final Payment and title of the vehicle will be transferred into your name.

HOW IT WORKS

Flexibility
Pay an initial upfront payment, choose your term over 1-3 years, then take the best option for you when you reach the end

For new vehicles only

No regular monthly repayments, just a single initial upfront payment and a deferred Final Payment based on the vehicle's Guaranteed Minimum Future Value (GMFV)

Term of 1-3 years

Minimum annual mileage 6,000 miles

Maximum annual mileage 35,000 miles

Maximum contract mileage 108,000 miles

Guaranteed Minimum Future Value
This applies where the vehicle is returned under the Goods Return Option and assumes that vehicles and mileage conditions have been met

ADVANCE PAYMENT PLAN (APP)

WHAT YOU NEED TO KNOW

Ideal if:

- You want to protect against an unexpected fall in used vehicle values
- You want more spending power maybe for a newer or higher specification model

Advance Payment Plan features a Guaranteed Minimum Future Value (GMFV). Land Rover Financial Services will set the GMFV based on the estimated value of the vehicle at the end of the agreement – this value assumes the vehicle is within the agreed mileage and in good condition. The GMFV is deferred to the end of the agreement and, if you choose to exercise the Goods Return Option and the vehicle meets the mileage and condition requirements, you will have nothing further to pay.

A proportion of the credit is deferred to the end of the agreement and you should prepare for this if you want title of the vehicle to be transferred into your name

BALLOON HIRE PURCHASE

Balloon Hire Purchase is similar to a Personal Contract Purchase (PCP) – you can keep your monthly payments lower by deferring a proportion of the amount of credit to the Final Payment at the end of the agreement but do not have the option to return the vehicle to Land Rover Financial Services at the end of the agreement.

Agree an initial deposit and how long you want the agreement to run for and the Retailer will then calculate your final payment and confirm your regular monthly payment. The Retailer will submit the finance application to us and subject to your application being approved, you can drive away in your Land Rover.

The options at the end of the agreement are:

- (1) pay the deferred Final Payment for title of the vehicle to be transferred into your name
- (2) part exchange the vehicle subject to settlement of your existing finance agreement; new finance agreements are subject to status.

Balloon Hire Purchase is sometimes used by business customers who don't want to be bound by mileage restrictions. Balloon Hire Purchase is only available to limited companies on a non-regulated basis. Please see the glossary for an explanation of regulated and non-regulated agreements.

GLOSSARY & USEFUL INFORMATION

Advanced Payment Plan (APP)

The APP is a derivative of a Personal Contract Purchase (PCP product). There are no monthly payments just a single, upfront payment based on your vehicle's Guaranteed Minimum Future Value (GMFV). The GMFV is based on your agreed annual mileage and the length of the contract term. The GMFV is deducted from the price of your vehicle, you simply pay the remaining balance (plus the agreement interest if applicable) as a single upfront payment.

The options at the end of the agreement are:

Renew – choose a new vehicle from your Retailer and use any excess value over the Final Payment amount towards your deposit. With this option, you can either trade in your vehicle or sell it privately. Subject to settling of your existing finance agreement, any new finance is subject to status.

Return – hand back your vehicle to Land Rover Financial Services under the Goods Return Option. If the vehicle is in good condition and has not exceeded the allowed mileage you will have nothing further to pay. If the vehicle has exceeded the allowed mileage a charge for excess mileage will apply.

Retain – pay the Final Payment and title of the vehicle will be transferred into your name.

Agreement Term

The length of time over which you agree to repay the finance – also referred to as the Length of Agreement.

Annual Percentage Rate (APR)

The APR shows the annual cost of a finance agreement over and above the amount you have borrowed. The APR will include interest rate charges and any other fees included in the agreement, such as administrative fees. By law, the APR must be shown on relevant documentation presented to customers in showrooms. You can use the APR to compare the cost of different finance products.

Balloon Hire Purchase

Balloon Hire Purchase is essentially, the same as a standard Hire Purchase agreement but with a proportion of the amount of credit is deferred until the end of the agreement. Unlike PCP, there's no Guaranteed Minimum Future Value

(GMFV) and you do not have the option to return the vehicle to Land Rover Financial Services at the end of the agreement other than any voluntary termination rights that you may have under the agreement. You agree the Final Payment at the start of the agreement. At the end of the agreement you have two options: - make the Final Payment and title of the vehicle will be transferred into your name or part exchange for a new vehicle (if the part exchange does not cover the Final Payment you would need to pay the shortfall to settle the finance agreement). New finance agreements are subject to status.

Balloon Payment/Final Payment

A balloon payment is the Final Payment deferred to the end of a finance agreement on Personal Contract Purchase (PCP), Advance Payment Plan (APP) and Balloon Hire Purchase agreements. It completes the finance agreement and allows you to take ownership of the vehicle.

Contract Hire

'Rental' agreements where you cannot become the legal owner of the vehicle as you are renting it from Land Rover Contract Hire. Land Rover Contract Hire is listed as the Registered Keeper on the DVLA V5 form. A flexible option allowing you to drive a newer model and optional vehicle maintenance packages can be included.

Credit Agreement

A credit agreement is a legally-binding contract between you (the customer) and the finance company. It must include details of the loan amount, the term, rates of interest, other charges and your rights and responsibilities for the duration of the agreement. You will receive a copy of the agreement you have entered into.

Deposit

A deposit is often required to secure and finance your vehicle. The larger the deposit the less you will need to borrow and this could mean lower monthly payments.

A deposit could be cash or part exchange or a combination of both. If you are part exchanging your vehicle and you still have outstanding finance then your deposit will be the part exchange value of your vehicle less the outstanding settlement figure. Your Retailer will be able to take care of these arrangements for you.

Depreciation

A vehicle is an asset, but inevitably with age and wear and tear it will reduce in value. This is depreciation.

Early Settlement

This is when you pay off a finance agreement before the agreed term is completed. By doing so you may save on the interest that would have been charged for the remainder of the agreement.

Guaranteed Minimum Future Value

A Guaranteed Minimum Future Value (GMFV) is equivalent to the deferred Final Payment and is set based on the estimated value of the vehicle at the end of the agreement. This value assumes that when returned the vehicle is within the set agreed mileage and in good condition. The GMFV is deferred to the end of the agreement and, along with any purchase fee applicable, is the Final Payment. The risk of depreciation above the level of the GMFV is taken by Land Rover Financial Services so you can hand the vehicle back with nothing further to pay at the end of the agreement.*

*If the vehicle is in good condition and has not exceeded the allowed mileage you will have nothing further to pay.

If the vehicle has exceeded the allowed mileage a charge for excess mileage will apply.

Hire Purchase (HP)

Land Rover Financial Services buys the vehicle on your behalf and you pay an initial deposit. The remaining balance plus interest is then paid over an agreed period of one to five years. These are fixed costs, meaning that the APR (Annual Percentage Rate) is set before the contract begins and will not change.

Land Rover Freedom (PCP)

Land Rover Freedom PCP is essentially, the same as a standard Hire Purchase agreement but with a proportion of the amount of credit deferred until the end of the agreement. Unlike Balloon Hire Purchase, the value of the vehicle at the end of the contract is guaranteed to at least equal that of the deferred Final Payment if you exercise the Goods Return Option. Under PCP, you have the following options at the end of the agreement:

(1) renew – part exchange the vehicle subject to settlement of your existing finance agreement; new finance agreements are subject to status

(2) return the vehicle and not pay the deferred Final Payment

- if the vehicle is in good condition and has not exceeded the allowed mileage you will have nothing further to pay

- if the vehicle has exceeded the allowed mileage a charge for excess mileage will apply

(3) retain – pay the deferred Final Payment and title of the vehicle will be transferred into your name

Maintenance Contracts

An optional, chargeable product offered by finance companies and Retailers to spread the cost of motoring. Maintenance contracts usually include vehicle servicing and repairs as well as replacement of wear and tear items such as tyres.

Non-Regulated Agreement

A credit agreement non-regulated by the Consumer Credit Act. Therefore not bound by the same legal requirements as a regulated agreement nor offering the same type or level of protection.

Option to Purchase Fee

A voluntary payment at the end of some finance agreements (such as Hire Purchase) which, if paid, transfers ownership of the vehicle from the finance company to you.

Part Exchange

Part exchange involves trading in your existing vehicle and using its value as part payment for your new vehicle, perhaps to help fund a deposit under a finance agreement.

Regulated Agreements

Most types of credit and hire agreements are covered by the Consumer Credit Act which gives you some important rights such as your right to cancel the agreement within a given time, and protection against both the lender and the seller for faulty goods. An agreement covered by the Act is called a regulated agreement.

An agreement will be regulated if:

- the borrower is an individual borrowing for mainly personal use rather than business use
- it is not an exempt agreement – exempt agreements include things like gas and electricity agreements and loans from employers, these agreements are not regulated by the CCA

If your agreement is regulated under the Consumer Credit Act, Land Rover Financial Services will provide you with the information before, during, and after the agreement is taken out and Land Rover Financial Services give you a written copy of the agreement setting out:

- what type of credit agreement it is, for example hire purchase
- the true cost of the credit, called the Annual Percentage Rate (APR). The APR includes both the rate of interest and any other fees that may be applicable
- the amount of each payment, when it is due to be paid, and how it is made up (loan, interest, administration charge)
- your cancellation rights and whether you can pay off the loan early
- any repossession rights Land Rover Financial Services may have in the event of non-payment

Satisfactory Quality

By law, goods sold must be of satisfactory quality and fit for the purpose for which they were intended. Where there is a credit agreement in place the finance company has a responsibility for the quality of the goods and to resolve any disputes where the goods are not of the required standard.

Voluntary Termination

You have a right to end the agreement by giving us written notice. If you do so you must immediately return the goods to us which includes making the payments detailed in the 'Termination: Your Rights' section on your credit agreement.
